*Christ Our Rock Lutheran High School educates and equips today's youth in faith and knowledge while guiding them to become Christian leaders.*

Christ Our Rock Lutheran High School (CORLHS) provides an excellent academic education in a traditional high school setting, with one important exception — our faith in Jesus Christ permeates everything that we do.

Throughout their education at CORLHS, students are challenged academically, encouraged in their faith walk, protected in a safe environment, motivated to serve others, cared for, loved unconditionally, and guided through the maturation process.

CORLHS provides the opportunity for the school and family to work together to train young people in Christian principles at the stage of their lives when temptation to make unhealthy life decisions is at its greatest. In this manner, CORLHS is a place “Where Faith and Knowledge Grow.”

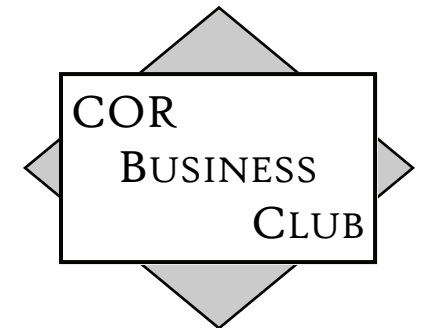

CORLHS seeks to make a Christian secondary education affordable to all those who desire it. It is estimated that one third of the CORLHS students will receive support through our tuition assistance program. For this reason, 100% of donations to the COR Business Club will be distributed as tuition grants to families who have demonstrated financial need.

Dear Business leader,  
Some individuals have asked us . . .

*Can I support CORLHS and my local public high school?*

**YES!**

We commend our area public schools for the work that they are doing to educate children and advance their communities. CORLHS seeks to provide a Christian education alternative for those who desire it and believe we can coexist with the area public high schools, without being in direct competition. We want all of the high school students in our area communities to get the best education possible. Although we want to serve as many families as possible, we know that CORLHS is not for everyone. So, please continue to support your public high school and consider joining the . . .

Your partnership will make a huge difference in the lives that CORLHS will touch in the near future and for extended generations.

We look forward to recognizing your company as a COR Business Club member!
